Re: Miltenyi Biotec Patent Files

Dear Gladys:

We want to thank you for the many years of service which Morrison & Foerster has provided to Miltenyi Biotec. However, now that Ted Apple has returned to Townsend and Townsend and Crew, and since he has intimate knowledge and experience with our patent matters, we have decided to move all of our patent files to Townsend. We have attached a list of what we believe are the Miltenyi Biotec files Morrison & Foerster has been handling. Could you please send them to Ted at
